Re: Sandy Summers, MSN, MPH, RN

To whom it may concern:

I am writing in support of Sandy Summers's appointment as a member of the Capital City Speaker's Bureau. I have known Sandy for many years and am very proud of all she has accomplished. Sandy has spoken at the conventions of the New Jersey Nursing Students, Inc. (NJNS) and of the New Jersey State Nurses Association (NJSNA).

Sandy's evaluations were excellent because her presentations were outstanding. She is an animated, passionate speaker who will be an asset to your speaker's bureau.

If I can be of any further service, please do not hesitate to contact me.

Sincerely,

Barbara Chamberlain
