

# THE **TRUTH** ABOUT NURSING

## Advocacy Workshops

**Patients are safer and  
nursing is stronger when  
nurses know how to speak up!**

- Interactive role-playing
- Step-by-step advocacy training
- Engaging real-world examples
- How to model dynamic change
- How to persuade powerful people
- Strengthen nursing by addressing root causes

**Book expert advocate Sandy Summers today  
to help your nurses and nursing students  
become the nursing leaders of tomorrow!**
